PROFESSIONAL EXPERIENCE

Ubrain Studios Pvt. Ltd

Web development Intern

May 2023 – Jun 2023 | Rajkot, India

- Acted as a Frontend developer.
- Contributing to the development of a dynamic and responsive Movie-app web application, showcasing a vast collection of popular and latest movies sourced from an API.
- Designed and implemented a user-friendly and responsive Movie-app web application.
- Expertise Obtained in ReactJS, MongoDB, Material-UI, Git and GitHub.

TECHNICAL SKILL

Programming Languages

- Java, C++, JavaScript

Web Languages

- HTML, CSS, JavaScript

Libraries/Frameworks

- React JS, Node JS, Express JS, Tailwind CSS

Databases

- Mongo DB, SQL, Firebase, Oracle DB

EDUCATION

Computer Engineering

Charusat University

2021 – 2025

- CGPA - 9.40

XII Std.

V. P. Ghetiya

2021 | Upleta, Gujarat

- Percentage - 92.00%

PROJECTS

The Movie App

May 2023 – Jun 2023

- Successfully retrieved popular movie data from TMDB API, enriching the application's content.
- Engineered a 'Favorite Movies' section, elevating user engagement and experience through integrated search, sorting, and filtering features.
- Utilized the browser's local storage capabilities to efficiently store and manage user-selected favorite movie data, enhancing data accessibility and user experience within the application.

Medcare-Medlife

Dec 2022 – Apr 2023

- Led a project team responsible for the frontend development of a Hospital Management System.
- Crafted an intuitive and user-friendly UI using HTML, CSS, and Bootstrap.

Camera Gallery App

Jun 2022 – Sep 2022

- Implemented a web application enabling seamless photo and video capture directly from the browser.
- Orchestrated the integration of a Gallery feature ensuring organized storage for captured media.
- Developed the frontend of the application using a combination of HTML, CSS, and JavaScript, and employed the Browser's built-in database, Indexed DB, for robust and efficient data storage.

PDF Merger

- Successfully developed a web application using Node.js, Express.js, and EJS, streamlining the process of merging PDF files.

INTERESTS

Volleyball (Selected in department volleyball team)
Sketching, Cooking.
